## *How to get the most from this Relationship Report*

*The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.*

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

## All about Beyonce`s Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Seven of Diamonds Person

The Card of Spiritual Values

The Seven of Diamonds is one of those unique cards called a 'semi-fixed' card. As part of a special family of seven uniquely different cards, these people fall into a different category and have a special mark on their lives. They are very stubborn, but they are also extremely creative and some are destined to become millionaires in this life by accessing the high side of this spiritual money card. By suit, they are always connected with money. As a spiritual number, they must maintain a non-attached attitude about money or there will be continuous problems in this area. We find they are either worrying about it all the time or not worrying and having as much as they like. Regardless, many of their life lessons will come through this avenue.

The other avenue is their close relationships. Family, lovers and friends are all very important to the Seven of Diamonds person. They have close ties, for better or worse, with their family and share in their trials. They have a high, spiritual love nature that often entails making personal sacrifices for their family and other close relationships. There is little they wouldn't do on behalf of their parents or family. This is one of the most spiritual cards in the deck and as such, their success comes from approaching life in ways other than traditional or materialistic. The most successful among them are the ones that live in the faith that all their needs will always be provided.

They are usually restless, making frequent changes in either occupation or location. Their love life usually entails sacrifice and disappointment until they learn to let others go and be as they are. In their spiritual studies they find inner satisfaction and validation for their own intuition. Once on the spiritual path, everything in their life is put into proper perspective and they can excel in any chosen field.

Some of the Seven of Diamonds Issues Concerning Relationships

For such a spiritual card as the Seven of Diamonds, issues in relationships

revolve around letting go of personal attachments and developing a more spiritual approach to love. They are, by nature, very loving people and are willing to make sacrifices on behalf of those they love. There are bound to have one or more karmic love involvements that challenge them to raise their level of love to more spiritual and responsible heights. Like other cards, they have high ideals associated with love and partnership. But these people are more or less destined to have these ideals tested every step along the way. Their stubbornness and independence attracts powerful relationships into their life, ones that teach them important lessons.

Most Seven of Diamonds females are attracted to, and often marry men of the Heart suit. They also hold some fantasies about Diamond men. The male Seven of Diamonds is attracted to Spade females and usually has many Club females as friends and associates. Club males challenge the Seven of Diamonds female.

## *All about Beyonce`s Planetary Ruling Card*

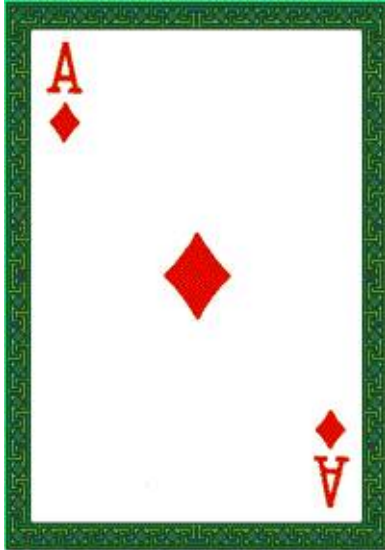

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Five of Spades as Your Planetary Ruler

This ruling card can cause you to do a lot of traveling or moving in your life. It basically adds a very adventurous side to your personality. You probably see life as an opportunity to experience many interesting things more than anything else. Even so-called 'bad' experiences will have value to you because of what you learn from them. You love to be with people and have some success in groups of all kinds. The larger the better. You also have a fair amount of sales and promotion ability and could easily make a living doing this sort of work. You are amicable and can relate to most anyone on their level, making them feel comfortable with you. But your restlessness is the real heart of this card's meaning.

## All about Jay-Z`s Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Ace of Diamonds Person

The Desire for Money and Love Card

The inherent passion in this card can be expressed in a variety of ways but it always seems difficult for them to have both money and love at the same time. Perhaps this is because their nature is to focus all of themselves in one direction at a time to the exclusion of all others. In any case we find these people striving to attain one or both most of the time and rarely having both. They can be impatient, selfish and mercenary, or they can be the greatest of givers. They are all kind hearted on one level. The strong Neptune influence can give them high ideals to aspire to and this can lead them to doing great work or to live in a big fantasy of their own making. It depends on the individual just how they handle this strong Neptune energy.

These people are creative and capable of working two jobs at once. They meet new people every day and much of their good fortune comes from these meetings. They are ambitious and most of them have some artistic ability. Their life is a series of phone calls and communications of all sorts and usually a flurry of activity. Regardless of what they do, they see themselves as here to help the world and make an important contribution in the process. All of them are inclined to be psychic and many are naturally attracted to the metaphysical side of life. If money or power does not take top priority in their values, they can have lives of great satisfaction and accomplishment.

Some of the Ace of Diamonds Issues Concerning Relationships

As mentioned earlier, the main challenge for the Ace of Diamonds in love is whether they will have to give up their careers to have the love they want. Romantically, they are often indecisive, or they attract others that have difficulty making decisions. They like to be away from their loved ones for periods of time and oftentimes they will choose to love someone who is not available or who will be away from them a lot, either physically or emotionally. In other cases, they and their partner spend a lot of time traveling and seeing the

world.

Many have said that Ace of Diamonds men in particular, should never marry. Most Ace of Diamonds have endured at least one difficult divorce, something that was destined and yet not meant to be a curse on their whole life. I have seen successful Ace of Diamonds marriages, but in those cases I always notice that the couple travel together and have their respective careers separate from each other. This seems to settle the conflict.

### *All about Jay-Z`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

#### Three of Spades as Your Planetary Ruler

This ruling card gives you a lot of creative energy and it may result in your becoming an artist of some kind. You should know, however, that this is one of the cards who only attains success through hard work. Without it, your creativity will be wasted on stress, indecision, uncertainty and worry. Inexplainable health concerns may dominate your attention from time to time, especially if you are very work-oriented. Your work brings you peace, but don't ignore your health in the process. You have the capacity to work two jobs at the same time and you have a strong romantic streak and needs. If your romantic needs are not met in your current relationship you may be tempted to seek them elsewhere.

## *All about the Love Connections you share*

*Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.*

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

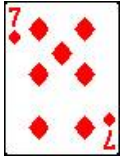

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

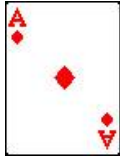

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

## The First Connection Between You

Beyonce

Jay-Z

Beyonce is the Uranus Card to Jay-Z

Location: Spiritual Spread

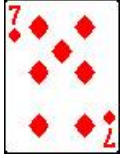

*Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.*

This is one of the past-life connections that tells us that Beyonce and Jay-Z have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Beyonce and Jay-Z have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

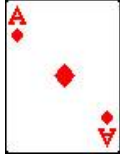

In particular, Jay-Z may be the one who is most affected by Beyonce's behavior. At times she may seem to act in such an unexpected manner that Jay-Z is taken off balance by her. If he places big demands or expectations upon her, Beyonce will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for him. This is because Jay-Z is the one who is receiving the Uranian energies the most, unless other connections point out that Beyonce is also receiving some. In any case, the call here is for Jay-Z to drop his expectations and learn to appreciate the time and things that he does share with Beyonce, instead of focusing on the parts that he is not getting the way he wants. This can be an easy lesson or a hard one, it depends mostly on Jay-Z and his attitudes. We might say it is a matter of having both faith that Jay-Z will get his needs met and his having appreciation for all that he does have in the context of this relationship.

However, this connection tells us that Jay-Z has already learned these lessons in the prior lifetime. He probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly

### *The First Connection Between You*

Beyonce

Jay-Z

enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Beyonce and Jay-Z to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Beyonce: I realize the powerful effect I have on Jay-Z. Though I will never allow him to control me or dictate my actions, I will express my love to him so that he knows that I really care.

Affirmation for Jay-Z: I allow Beyonce to be completely free to be herself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

## The Second Connection Between You

Beyonce

Jay-Z

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Jay-Z is the Cosmic Reward Card to Beyonce

Location: Spiritual Spread

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Beyonce is the one who is receiving this Cosmic Reward influence from Jay-Z. This means that Jay-Z could be a very important blessing in her life, if she is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Beyonce may feel drawn to Jay-Z because she can perceive that Jay-Z has these qualities that are a part of her destiny. If Beyonce is creating a happy life for herself, Jay-Z will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Jay-Z truly feels encouraged to give to Beyonce and to share his wealth and abundance with her. This giving attitude can be part of a good foundation for a successful relationship. But, if Beyonce has not yet dealt with her own need for change in this lifetime, Jay-Z may just serve as a reminder to her of this fact. If this is the case, Jay-Z may seem more of a

Beyonce

Jay-Z

confronting and challenging influence to Beyonce.

So, we see that much of how this connection affects the relationship lies in the hands of Beyonce. It is for her to decide what to make of it. Hopefully, she will be ready to receive Jay-Z as the blessing in her life that he has the potential to be. Later, she may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Jay-Z: I am glad to be a blessing in Beyonce's life and hope that I can give her all that I have to give. I understand that she may be challenged by me at times and have compassion for this. I only wish the best for her.

Affirmation for Beyonce: I am grateful for the presence of Jay-Z in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

## The Third Connection Between You

Beyonce

Jay-Z

Beyonce is the Venus Card to Jay-Z

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that Beyonce and Jay-Z have shared some past lives together. In at least one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the

Beyonce

Jay-Z

mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The love is there and it is strong, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that Beyonce and Jay-Z have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that Beyonce and Jay-Z have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing. Hopefully they will be able to take this foundation of mutual love, respect and admiration and go forth to create a beautiful future for themselves.

Affirmation for Beyonce: It feels very right to be with Jay-Z, with whom I share some kind of deep and timeless love. I appreciate his presence in my life and feel blessed by it.

Affirmation for Jay-Z: I experience a love for Beyonce that is hard to describe, and yet feels very familiar and right. I sense that we have been together before and look forward to more time together to share this unique love that we have for each other.

## The Fourth Connection Between You

Jay-Z is the Cosmic Lesson Card to Beyonce

Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. Because it is one of the universal or cosmic connections, it has more to do with how this couple connect in relationship with the world around them. Specifically, Jay-Z is a reminder to Beyonce of how she has, or could have, an important role to play in terms of helping mankind. This is about Beyonce's career and role in the world. If she is not career-minded at all, then Jay-Z's influence may just have some implications about whatever role she is playing in her life, as seen by others. But, in some way, Jay-Z's presence in her life is telling her that she should be doing this or that - essentially things that will both improve her life as well as help others through her contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Beyonce if she is searching to find her purpose, or to decide what kind of work would best fit her. By studying our Cosmic Lesson Card, these sorts of things are revealed. The fact that Beyonce has attracted someone who is her Cosmic Lesson Card into her life is probably an indication that she is ready to achieve some of her potential, or that she will be lead to her rightful place, workwise, by Jay-Z's influence in her life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Jay-Z's reminding Beyonce of her highest potential, or somehow offering suggestions that may help her career. However, Jay-Z's presence in her life already serves as that reminder. He may even be involved in the kind of work that she aspires to, or may eventually become involved in. In other cases, it could be the way he does what he does that is a clue for Beyonce as to what it is that can benefit her career or direction.

Affirmation for Jay-Z: My awareness of how I am a reminder to Beyonce of how she can make a valuable contribution in this world reminds me that I am an

Beyonce

Jay-Z

important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Beyonce: I am grateful for the presence of Jay-Z in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

### The Fifth Connection Between You

Beyonce

Jay-Z

Beyonce is the Saturn Card to Jay-Z

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This connection tells us that Beyonce and Jay-Z have some score to settle from a past life. There was some unfinished business that now has an opportunity to be resolved in this lifetime. This is especially true if Jay-Z is strongly attracted to Beyonce. Now, in this lifetime, they can take up where they left off. The essential message of this connection is that Beyonce has something to teach Jay-Z. That something could be one of many things. Lessons come in all shapes and sizes. Some are about relationship, some are about career or dealing with money. Others are about self-esteem, honesty, faithfulness, responsibility and fairness. We don't know which of these lessons are the ones being dealt with in this lifetime, but we do know that something important will be transferred in the course of this relationship.

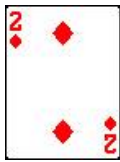

It is likely that Beyonce and Jay-Z felt a strong attraction when they first met, and even that they felt this sort of ease and familiarity that is associated with all of the past-life connections. There could have been great romantic feelings as well. However, this connection tells us that there is also a very practical side to this relationship, one in which Jay-Z will be influenced by Beyonce to become more successful, responsible and practical. Beyonce could have even been Jay-Z's father in a former lifetime - a lifetime in which her role as father didn't get the opportunity to be fully expressed. However, this is only one of the many ways this connection could have originated.

It is certain that there is some form of 'karmic debt' that is being paid off

### *The Fifth Connection Between You*

Beyonce

Jay-Z

over the course of this relationship and it is noted that many relationships with Saturn connections last a long time. Sometimes, paying off this debt is the main reason for this relationship in the first place. Though other connections may describe various characteristics of their being together, this karmic repayment may be the most important reason that Beyonce and Jay-Z are together. And keep in mind that the payment is being made from Beyonce to Jay-Z, and that the payment is some sort of lesson about life. We must also keep in mind that Beyonce is just as much bound to pay this lesson as Jay-Z is to receive it. This relationship is important to both of them, but each for their individual reasons.

Relationships like these show us God's hand in motion. We see God's plan for us unfolding. If we pay attention, we can learn a lot about the ordered nature of our universe and reality. This relationship demonstrates how every cause has an effect, every effect has a cause, and how some of our relationships have a broader purpose than to just be in love or to raise a family. Saturnian energies are often difficult but this relationship does not have to be so. If there is a mutual feeling of growth and openness between Beyonce and Jay-Z, this relationship can be experienced as a very positive influence for both of them, one that leads them to more productive and happy lives.

Affirmation for Beyonce: I understand that I have the ability to see all of Jay-Z's faults and shortcomings and share suggestions with him lovingly and with the awareness that I have a powerful effect on him.

Affirmation for Jay-Z: I realize that I chose this relationship with Beyonce to help me grow in important areas of my life. With that in mind, I accept her suggestions so that I may learn and make progress in becoming a successful and happy person.

## The Sixth Connection Between You

Beyonce

Jay-Z

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Beyonce and Jay-Z are Jupiter to each other

Location: Spiritual Spread

This connection tells us that Beyonce and Jay-Z shared a past life together in which a major focus was their philosophy and ideas about life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction. This foundation of principle can be one of the most important cornerstones of their relationship, and one which they draw strength and purpose from during their life together. Their beliefs and philosophies do not even have to be verbally expressed. Because this connection stems from a past life, the closeness they share is just there - it needs no explanation, unless they feel the need, for some reason, to express it.

Now that they have found each other, Beyonce and Jay-Z are reminded of the life they once had. By being together, many positive results manifest themselves in their lives. Beyonce and Jay-Z enjoy giving to each other in many ways as a natural expression of their love. They may exchange guidance and inspiration when it is needed and this may remind them of the high level of truth and integrity that they once shared. However, the blessings of Jupiter can also extend to the financial arena. Prosperity can be another wonderful thing that Beyonce and Jay-Z share with each other.

Many couples who have this connection end up quite well-off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. That frame of mind involves having mutual appreciation and gratitude for the abundance that this relationship brings into their lives.

With such a fortunate connection between them, Beyonce and Jay-Z have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives. If they want to cultivate it to get even more benefit, all they have to do is spend more time appreciating what they have and

### The Sixth Connection Between You

Beyonce

Jay-Z

communicating that to each other. Mutually felt and expressed appreciation is a vital ingredient in nearly all successful relationships. With this wonderful connection between them, Beyonce and Jay-Z should have little trouble in experiencing just how good life can be.

Affirmation for Beyonce: I enjoy the many wonderful things that Jay-Z and I share together. I feel that we have a deep spiritual connection that makes me feel that we are going in the same direction. We seem to attract abundance in our life as our mutual sharing and giving is so greatly appreciated by both of us.

Affirmation for Jay-Z: I am continually thankful for the many things that this relationship with Beyonce brings into my life. It is like a miracle, all of the good things that seem to magically come our way. I especially appreciate the sense of similar beliefs and spiritual values that are the foundation of our being together.

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

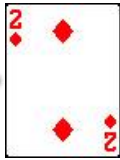

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Jay-Z is the Cosmic Reward, or Blessing, Card of Beyonce's. Therefore she is the one who is receiving this blessing and reward energy from Jay-Z and this connection affects her the most.

Just how Beyonce will experience this connection will be directly affected by her attitude and the measure of her own consciousness about her life. If she is someone who has learned a lot about herself, both her gifts and her

challenges, then she will probably experience Jay-Z as an important blessing in her life that she derives much pleasure and happiness from. If, on the other hand, Beyonce is still getting to know herself and hasn't yet dealt with the challenges and changes that are represented by her Pluto Card in the Life Spread, she probably finds Jay-Z to be a great challenge in her life, someone who seems to confront her often, or remind her of what she may become, but is not. It is important for Beyonce to become familiar with the meaning of her Pluto Card and how that represents some of the internal changes that she will have to make in this lifetime in order for her to fully understand her relationship with Jay-Z. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Jay-Z is influenced by this connection in that he is encouraged to give of himself to Beyonce. He naturally wants to give to and share with Beyonce all of the things that he feels are blessings in his own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which can become one of the foundations for a beautiful and long lasting marriage or other relationship. However, for this to happen, Beyonce must express the appreciation she feels for Jay-Z's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Beyonce is still wrestling with some of her own basic personal issues. However, she may sense the importance of Jay-Z anyway and be acting on instinct in her attraction for him. It really doesn't matter in one way of looking at it - if Beyonce stays with Jay-Z long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are

Jay-Z is the Moon Card to Beyonce

Location: Life Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long term commitments. When someone is our Moon card, we feel very close and comfortable with them.

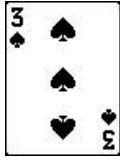

In this relationship, Jay-Z is a Moon Card influence to Beyonce. His presence in Beyonce's life is like a healing balm that soothes her. He provides Beyonce with nurturing support and a sense of foundation, security, home and settledness. Beyonce, on the other hand, brings many good things into Jay-Z's life. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. In this relationship Jay-Z and Beyonce have a strong communication link. This makes it easy for them to share ideas, thoughts and feelings and makes this one of the highest connections that exists for overall compatibility. Whether they realize it or not, Beyonce is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

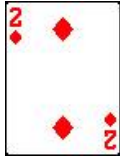

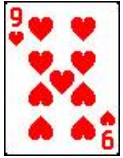

Keep in mind though, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended unsuccessfully because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Jay-Z is not willing to be the supportive, nurturing person in this relationship, or if he is unwilling to take the back seat to Beyonce in key situations, this relationship may not last. Likewise, if Beyonce is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them and usually dictates how they are together. When Jay-Z and Beyonce are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Jay-Z: I am very grateful for Beyonce's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Beyonce's support person. It feels natural to give of myself in this way.

Affirmation for Beyonce: I am grateful for the presence of Jay-Z in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that he does for me and our easy and natural communications.

In particular, Beyonce just adores Jay-Z. Beyonce is the Uranus Card to Jay-Z

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom. But in this relationship, Beyonce and Jay-Z have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in an intimate relationship where personal needs become so important. This can truly be a relationship of the future, where both Beyonce and Jay-Z respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

In this particular relationship, Jay-Z is on the receiving end of most of the Uranian/Aquarian energies. This means that he is the one who will most likely have to let go of any personal needs to have Beyonce behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they love us, will stay with us, or can be counted on to be there when we need them. Uranus does not support having many expectations of our partner. If Jay-Z is someone who requires a lot of hand holding, or who has many insecurities about being abandoned in a love relationship, Beyonce will be a real test for him. Even though it probably will not be intentional, she will do things unexpectedly, come and go as she pleases, or act in other ways that could make Jay-Z feel afraid. As a matter of fact, Jay-Z may have been

attracted to Beyonce for her fun-loving, free nature. This is probably because Jay-Z would like to experience more freedom in his love life as well. So, this relationship could be a challenge for him and help him to learn to let go and trust in love.

In other cases, Uranian relationships are just true friendships. Both partners have their own jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some couples really like this kind of relationship and it fits them very well. But sometimes relationships start out this way and then later, the needs or values of one or both of the partners changes. When this happens, one of the partners may comment that they have very little in common with their partner, or that they rarely spend any time together.

So, exactly how this relationship develops will depend a lot on what both Beyonce and Jay-Z want from their being together. This will be especially important for Jay-Z since he is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between Beyonce and Jay-Z, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

Beyonce and Jay-Z will be happy to know that this connection has very high potential value. The ideal of the Aquarian relationship is a very high form of love that is unconditional and real. If they are able to manifest this unconditional love between them, they will have the opportunity to experience transformation of their own personalities as well.

Affirmation for Beyonce: I realize the powerful effect I have on Jay-Z. Though I will never allow him to control me or dictate my actions, I will express my love to him so that he knows that I really care.

Affirmation for Jay-Z: I allow Beyonce to be completely free to be herself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.
